A Taste for Corpora. In honour of Sylviane Granger. E-grāmatas nosaukums

Description Anotācija

The eleven contributions to this volume, written by expert corpus linguists, tackle corpora from a wide range of perspectives and aim to shed light on the numerous linguistic and pedagogical uses to which corpora can be put. They present cutting-edge research in the authors' respective dom ...

Language Function

Description

Literacy teaching tends to take a structural approach to language, focusing on concepts such as sounds, morphemes, words, sentences, and vocabulary. However, new research suggests that the majority of
