

SafeView spraudņa instalācija / Guide to SafeView plugin installation

The screenshot shows the search interface of the European Pharmacopoeia Online 9.0. A search for 'ibumetin' is performed. A 'Login Form' dialog box is overlaid on the search results. The dialog box contains the following information:

- IP address: 5.179.26.102
- Recognized by your IP address: EPID-CA2A8-552D9-A26BB
- Fields for 'User name' and 'Password'.
- A 'Remember me' checkbox.
- 'Login' and 'Cancel' buttons.

The 'Login' button is circled in red. Below the dialog box, there is a note: 'New and revised texts are implemented on 1 January 2017 (unless otherwise indicated). From the 9th Edition, corrections are to be taken into account as soon as possible and not later than the end of the month following the month of publication (i.e. 31 August 2016 for 9.0). This cumulative version of the European Pharmacopoeia is valid until 31 March 2017 (implementation date of Supplement 9.1: 1 April 2017).'

The screenshot shows the same search interface as above, but with a 'Confirm' dialog box overlaid. The dialog box contains the following text:

SafeView plugin is required in order to proceed.
Click OK to install SafeView or contact the site administrator for assistance.

The 'OK' button is circled in red. Below the dialog box, there is a note: 'New and revised texts are implemented on 1 January 2017 (unless otherwise indicated). From the 9th Edition, corrections are to be taken into account as soon as possible and not later than the end of the month following the month of publication (i.e. 31 August 2016 for 9.0). This cumulative version of the European Pharmacopoeia is valid until 31 March 2017 (implementation date of Supplement 9.1: 1 April 2017).'

In order to consult EDQM online publications, you need to install the SafeView plugin. Installation is safe, and takes only seconds. The SafeView plugin allows us to distinguish different computers and to apply the same fair licensing policy for all customers, independent of their size. It does not read or write any information from or to the file system and registry. Your privacy is respected.
