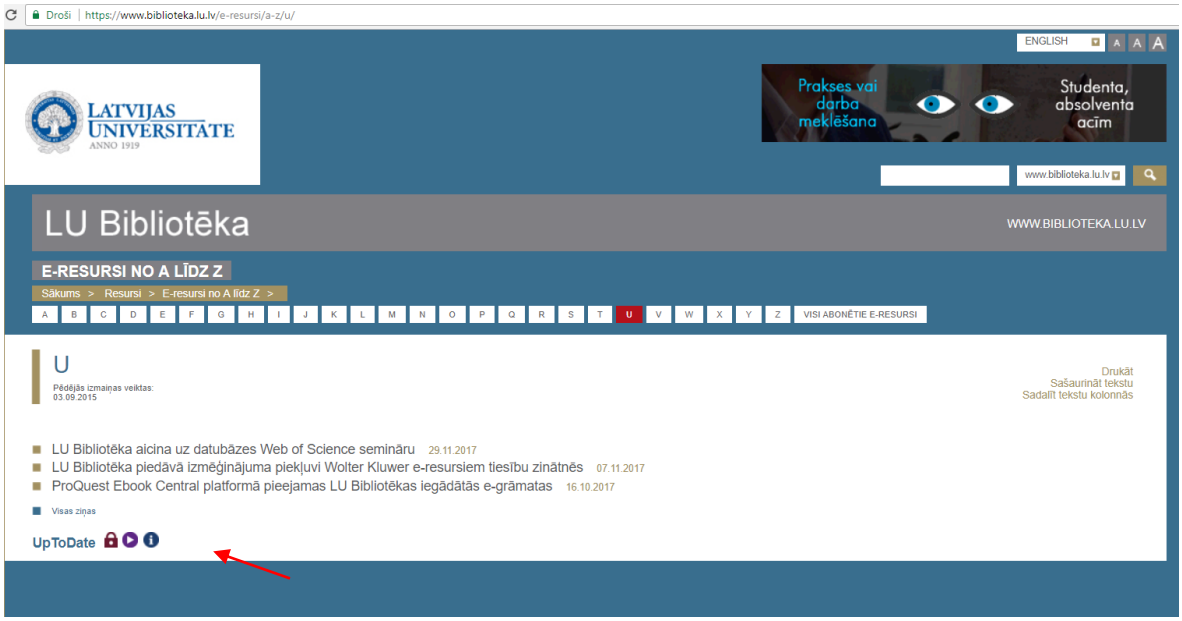
UpToDate Sign-up Guide

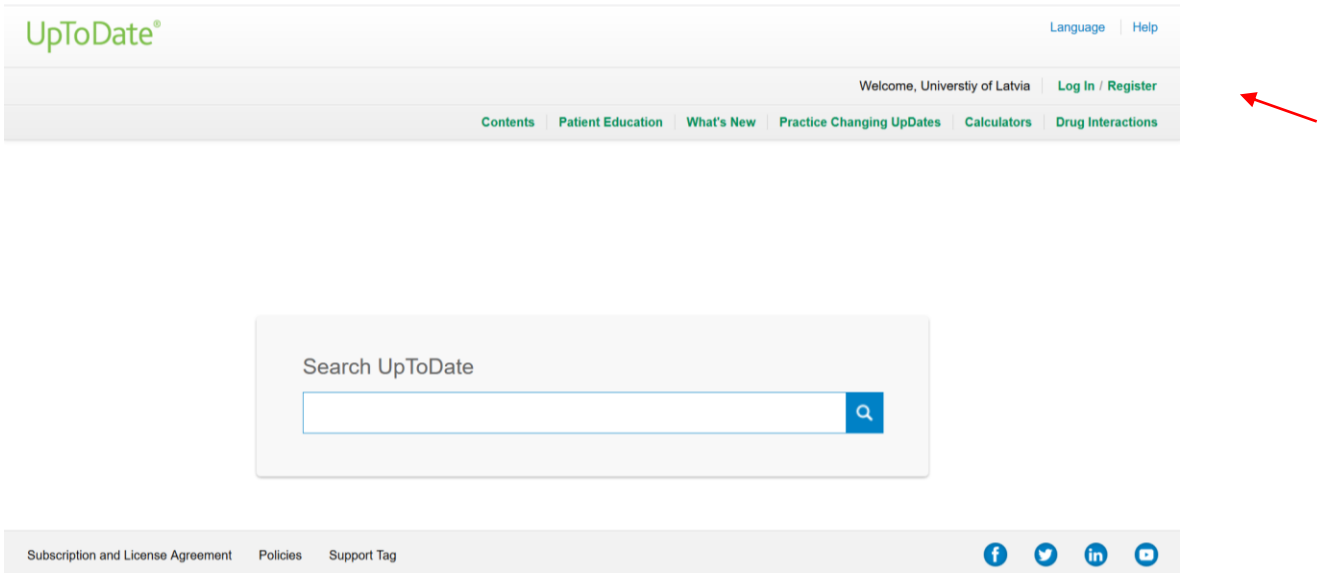
Create a private account (profile) for remote access to UpToDate (outside the UL campus). Choose to set up the private account only via computers at the UL campus. Usage of the database will be possible outside the UL campus via personal account hereafter.

Please follow the steps:

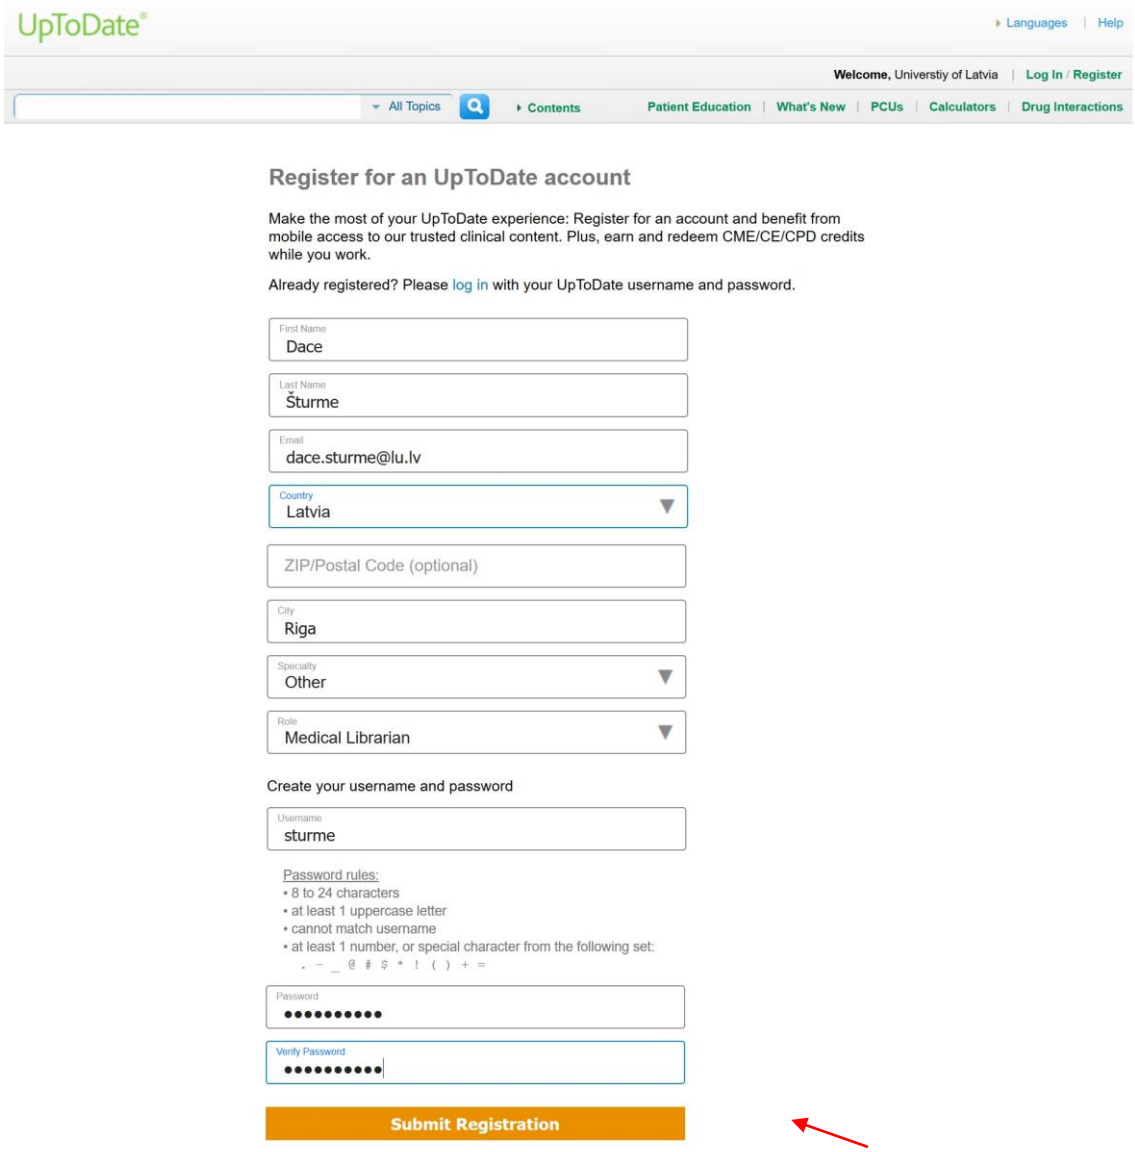
1. Log in via Library of UL home page (https://www.biblioteka.lu.lv/home/e-resources/a-z/u/)



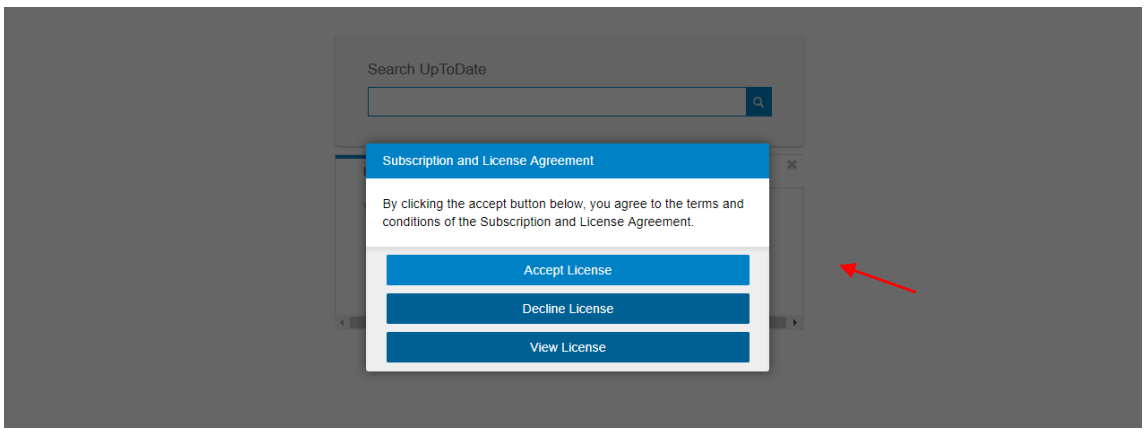
2. Choose “Register”:



3. Fill in the information asked and submit the registration:



4. Confirm to accept the conditions (enclosed in “View Licence”) :



5. See the confirmation letter in the e-mail if personal account set up was successful:

Congratulations Dace Šturme! With your UpToDate Anywhere registration you now have access to clinical answers where and when you need them.

Your UpToDate Username and Password

Your UpToDate username is **sturme**
Forgot your password? It is easy to reset it now.

Get Started

- Download the UpToDate Mobile App. Download app. View how it works.
- Earn free CME/CE/CPD credits when you research a clinical question using UpToDate.* View how it works.
- Access UpToDate from anywhere by logging in wth your UpToDate username and password.

Stay Connected

To maintain your access to UpToDate you will need to confirm your affiliation with **Universtiy of Latvia** every 90 days. To do this simply login to UpToDate from within the **Universtiy of Latvia** network.

Tip: Not sure if you are logged in to UpToDate? If you do not see your name and CME tally on the top right of the screen, then click Login/Register to login. View how.

If you need assistance contact UpToDate Customer Service customerservice@uptodate.com, 1-800-998-6374 or +1-781-392-2000

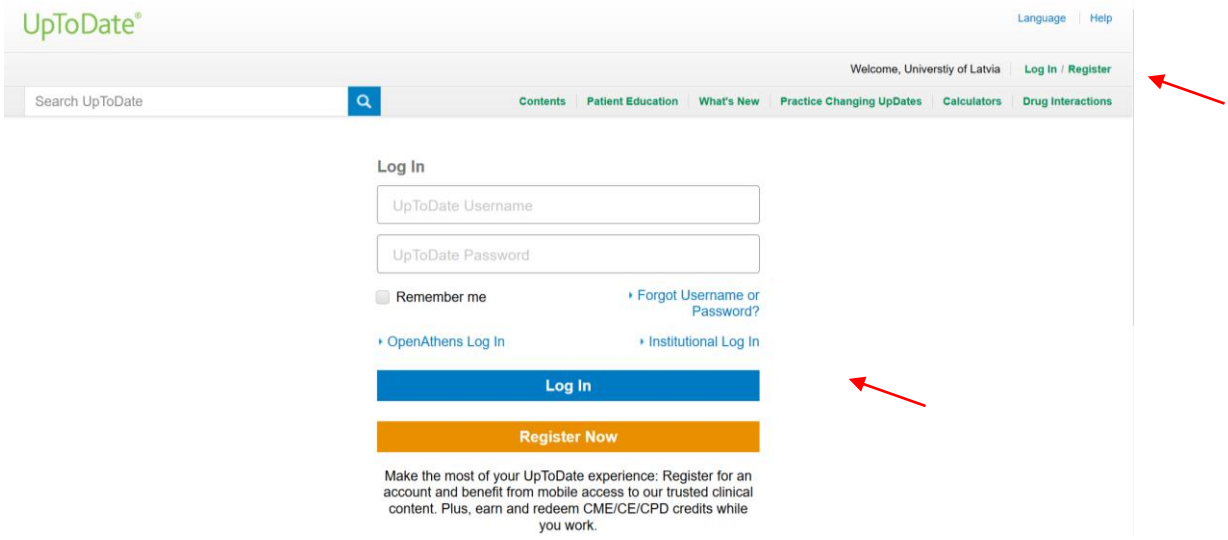
Additional Tips

- Access UpToDate from an embedded link in your EHR system or other integrated system (if available). Learn more.
- View recent updates in your specialty. Preview What's New and Practice Changing Updates.
- Watch on-demand webinars, including "Getting to clinical answers quickly and easily".
- View the User Guide for easy navigation tips

* (Earning credits may not be applicable in all markets. Learn more.)

UpToDate Anywhere answers clinical questions where and when you need it.

6. Hereafter authorization via “Log in”:



7. Please notice: name, surname and possibility of ”Log Out” is shown after the authorization on the upper right side of the desktop:
