Why OHO?

Oxford Handbooks are written in collaboration with prolific authors and advisory boards, ensuring high-quality and accurate, objective content.

Who is OHO for?

OHO provides users with a critical review of the latest scholarly debates on a topic. It is best suited for scholars and academics at 4-year, higher education institutions as well as law schools.

OHO is a great tool for your users as they seek to gain an **in-depth knowledge** of the existing scholarship in their field and beyond.

Our extensive digital collection provides scholars and graduate students with **critical examinations** of the progress and direction of debates and compelling new perspectives..
